

President's Update

June, 2016

To All NGJA Members,

Now that the election process has been completed, the next step in the process is to select the remaining NGJA Governing Board members for the next 4 years. To this end, the President holds a meeting with the 2 At-Large Directors and 4 Regional Directors to accomplish this task. This group met last night to discuss and vote on the candidates for these positions. The board selected these individuals by a vote of "7" for and "0" against.

Below is the new NGJA Governing board as selected by the individuals in the group mentioned above.

International VP Jon Corbitt

Technical VP Dean Schott

JO VP Craig Nesbitt

General Secretary Nate Dotson

Technical Secretary Mike Ashe

Legal Counsel Bob Cass

Treasurer Brian Richmond

The next four years should be very exciting and I look forward to working with all of you and the individuals above to move the NGJA forward!

Mike Juszczyk
NGJA President
